The Fire of John Wesley

- “Light yourself on fire with passion and people will come from miles to watch you burn.”
- “What one generation tolerates, the next generation will embrace.”
- “Give me one hundred preachers who fear nothing but sin, and desire nothing but God, and I care not a straw whether they be clergymen or laymen; such alone will shake the gates of hell and set up the kingdom of heaven on Earth.”

**People are already coming
here from miles away...**

An aerial photograph of a coastal town, likely in Florida, featuring a long, multi-lane bridge spanning across turquoise water. The town includes a large multi-story building with a green roof, a marina with many boats, and a sandy beach area. The sky is blue with light clouds.
